GOVERNMENT OF ANDHRA PRADESH

A B S T R A C T

Municipal Administration and Urban Development Department –APUFIDC - AMRUT– Entrustment of implementation of AMRUT Projects to Engineer-In-Chief (PH) - Orders issued - Reg.

MUNICIPAL ADMINISTRATION & URBAN DEVELOPMENT (UBS) DEPARTMENT

G.O.MS.No. 49 Dated: 01-02-2017

Read:

Lr.No. /MD/APUFIDC/AMRUT/2015-16, Dt: .01.2017 from Managing Director, APUFIDC, Guntur.

<>o<>

O R D E R:

In the letter read above, The Managing Director, APUFIDC, Guntur has informed that the Government have issued orders in the G.O.Rt.No.715, MA&UD, © Dept., Dated: 17-12-2016 transferring and posting certain Officials, transferring the Chief Engineer (PH) and entrusting all the works looked after by the Chief Engineer (PH) to Engineer–in-Chief (PH) except AMRUT Projects. The Chief Engineer, APUFIDC was asked to look after AMRUT Projects.

2. The MD, APUFIDC has further informed that the implementation of AMRUT projects was being looked after by CE(PH) with the responsibilities of appraisal of projects for SLTC, according Technical Sanctions, approval of Tenders, Supervision of Works, approval of deviations during implementation etc.

3. The MD, APUFIDC has also informed that the total outlay for the projects proposed under AMRUT program for the entire Mission Period 2015-20 is Rs.2890.17 crores and the project cost including inadmissible amount will be about 3500 crores covering 251 projects in 32 AMRUT Towns. In order to handle a program of this magnitude, a separate team of engineers are essential. The Office of ENC (PH) has an established team of engineers and established systems to handle such huge program area wise.

4. The Managing Director, APUFIDC is performing the duty of State Level Nodal Agency (SLNA) for JnNURM & AMRUT programmes and taking up centralized procurement of projects of MA&UD Dept., with CE, APUFIDC as head of technical wing and skeleton technical staff of two Executive Engineers and one Dy. Executive Engineer. As SLNA, the APUFIDC facilitates formulation of projects by Implementing Agencies (IAs) and sanctions and approvals by Competent Authorities. It also monitors the project implementation and the work of QA/QC agencies and disburses funds to IAs based on progress.

Contd..2.,

5. In this connection, the MD, APUFIDC has felt that it is not desirable for the SLNA to function as Implementing Agency also as there will not be any check on its activities and also conflict of interest may arise. In order to implement the AMRUT projects, a separate structure for the implementing agency needs to be established, which may take considerable time and resources. This process may hamper the progress of the project considerably, particularly in view of the mission mode of the AMRUT programme.

6. In view of the above, the Managing Director, APUFIDC has requested the Government to issue orders on entrustment of the Project of AMRUT to ENC (PH).

7. Government after careful consideration of the request of the Managing Director, APUFIDC, Guntur hereby issued orders by entrusting the responsibilities of appraisal of projects for SLTC, according Technical Sanctions, approval of Tenders, Supervision of Works, approval of deviations during implementation etc to the Engineer-in-Chief (Public Health) Guntur with immediate effect.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

R.KARIKAL VALAVEN
PRINCIPAL SECRETARY TO GOVERNMENT
